GRANT APPLICATION FORM

HPS/MAG will award up to \$500 to an individual, community group, school, or organization in the mid-Atlantic region that is doing something to make our world a little more horticulturally green. Submitted projects could be a schoolyard butterfly garden, the removal of invasive plants in public areas, planting trees in parks, or any greening effort in the field of horticulture. All viable ideas submitted will be reviewed and considered by the grant committee members of the Hardy Plant Society/Mid-Atlantic Group. Grant recipients agree to provide digital photos of the project (before and after completion).
